

ELECTRONIC DISH ANTENNA

Model: DA3806-CP, DA3808-CP

Electronic Dish antenna is specifically designed for restaurant, matched with Andea mid/long range readers to meet fast settlement demand. It integrates double antennas inside to minimize blind zoom and achieve 100% read rate.

Application:

Restaurant, Dining Hall, Bar, Snack Bar, Coffee House

Technical Specification

Model Name	DA3806-CP	DA3808-CP
Operating Frequency	13.56Mhz	
Communication Interface	SMA * 2	
Impedance	50 Ω	
Maximum Power	6W	
	Medium Power:35cm	Medium Power:40cm
Reading Range (Max)	High Power: 45cm	High Power:50cm
Dimension (L*W*H)	505*360*50mm	525*420*50mm
Feeder Length	2.5m	
Housing Material	ABS, Metal Plate	
Weight	4200g	4700g
